

About Us

Kingwest Academy is an elite university and college-prep online K-12 school that focuses on character and educational skills that students need to succeed and excel at the next level and life. At Kingwest Academy, we prepare our students for their secondary and post-secondary academic life. Our teaching methods incorporate the Ontario curriculum with engaging teaching content and highly trained Ontario certified teachers. Our goal is to successfully educate students of all levels and learning styles, anywhere in the world. All of our courses are online. Students can sign up any time throughout the year and work at their own pace, from anywhere. Our final exams are proctored online, as well. We welcome students of all learning styles and from all countries. Our teachers use research-based instructional methods to meet every student where they are and get them where they need to be. Kingwest Academy holds a strong commitment to reaching every student and providing the most appropriate teaching methods to each student in an effort to help them realize their academic potential and career aspirations.

In the province of Ontario, it is mandatory for each student to attend high school until the age of 18 or as soon as a high school diploma has been obtained. Kingwest Academy's online high school courses give students an option to work ahead and graduate early or perhaps take a bit more time.

Kingwest Academy is an accredited K-12 school by the Province of Ontario with authority to grant credits toward the Ontario Secondary School Diploma.
